

Smith Elementary

2022-2023

family handbook

Message from our Principal

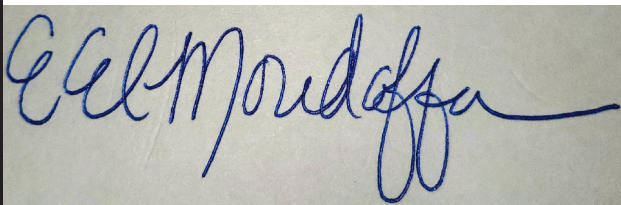

Smith Families,

It is with gratitude and excitement that I welcome you to the 2022-2023 school year at Smith Elementary School. We're honored to come alongside you as we nurture, challenge and motivate your children to chase wild dreams and push themselves to achieve bold goals.

As a team, not only are we committed to cutting-edge, research-based instructional practices, but we're invested in developing life-altering relationships with our students and their families. In these uncertain times, Smith is taking the utmost care in implementing and maintaining protocols to foster a safe, healthy community.

If have questions, concerns, or need support of any kind, please don't hesitate to reach out to me directly. We're eager to hear the joyful buzz and energy of children filling the halls and confident Smith will quickly grow into their home away from home.

In Partnership,

Emily El Moudaffar
Principal
720.424.4002
emily_elmoudaffar@dpsk12.org

Smith Mission and Vision

We are a diverse learning community-- a safe place, set apart. As a community, we partner together to guarantee that every child succeeds, in every classroom, every day. We are responsive to the academic and emotional needs of every learner.

- We are committed to meeting students where they are, without exception.
- We are relentless in pushing every student to realize his or her highest potential.
- We are honored to be your neighborhood school, your home away from home.

At Smith, we not only echo, but intentionally align with and embrace DPS' vision and core commitments: "Every single one of our students thrives not by accident, but by design. Our students graduate ready for college and career because our schools are joyful places that create excellence for all, especially for our students of color. Our children experience both meaningful rigor and support from teachers, support providers and leaders. Students, families and staff work together to build vibrant school cultures designed to ensure our community thrives."

Visitors & Building Access

Per DPS guidelines, for the health and safety of students and staff, with the exception of morning drop off, visitors, including parents, must check in at the main entrance vestibule at Smith Elementary School and scan in with the new, DPS required, Raptor System. Should a family need to come into the school for any reason, they will ring the main buzzer and share their need, question or concern via buzzer call.

Raptor Visitor Management System

For the 2022-2023 school year, Smith Elementary will begin using the Raptor Visitor Management System. This is a DPS required safety software program, provided by DPS Safety. The Raptor system allows staff at Smith to better monitor visitors, contractors and volunteers who visit our school.

Upon entering a district building, all visitors, including DPS employees visiting the site, will be asked to present a picture ID. The ID can be any state-issued ID such as a driver's license, a US passport, a consular card or a foreign passport. The ID will be scanned into the Raptor software system. The system only checks to ensure that registered sex offenders are not entering our buildings.

It is important to note that the Raptor system only scans the visitor's name, date of birth and photo for comparison with a national database of registered sex offenders. No other personal identifying information is saved or shared. Raptor does not connect with any other systems including the Department of Motor Vehicles or Immigration and Customs Enforcement. Once entry is approved, Raptor will print an adhesive badge that identifies the visitor, the date and purpose of his/her visit.

Hours, Schedules, & Calendars

School Hours

7:20am Morning Entry & Breakfast

7:30am School Starts & Learning Begins

7:45am Absence Notifications Sent to Families

2:25pm ECE Dismissal

2:30pm K-5th Grade Dismissal

2:40pm LATE PICKUP

Daily Routines

ARRIVAL PROCEDURES

Doors open to children at 7:20AM daily.

K-5th Grade Morning Entry

K-5th grade students will enter through the school's main entrance, at the corner of Jasmine Street and 36th Ave between 7:20am and 7:30am. After a warm welcome from staff, children can grab a breakfast from the cart that is located in the main lobby and take it to class to eat.

Families are welcomed into the building to escort their children to class, but not required. Parents/families should exit the school by 7:30am when the instructional day begins.

ECE Morning Entry

ECE students are required to be walked to their classroom each morning by a guardian, trusted adult, or family member over the age of 18.

In alignment with CDE licensing requirements, a quick sign in is required each morning for ECE students. The teacher will have a sign in clip board available at the classroom entrance for easy access.

Families know their children best, but in most cases, a quick drop off supports a struggling child start the day, rather than lingering while the kiddo continues to cry or taking the child out of the classroom to go home. We know the first few days and weeks can be hard and pull on your heart strings, but it gets easier with each passing day! Rest assured that our ECE team is at the ready to comfort your child in whatever way resonates with him or her best- hugs, taking space, fun distraction, words of encouragement, or even drop-off goals with incentives.

Friday Early Release Days

New this 2022-2023 school year, Smith will release early on Fridays at 12:30pm. Dismissal procedures will mirror M-Th, just earlier in the school day. Friday afternoon time will be used for staff to engage in professional learning, student data analysis, and intentional planning for units and small groups.

Smith WILL offer childcare on Friday afternoons for any families who are in need of care. Please contact our Dean of Students, AJ Romero, at 720.292.8889 or amanda_romero@dpsk12.net for more information.

Any child who is enrolled in Colorado Institute of Early Learning (Smith's before and after care with Ms. Tara) will have care provided beginning at 12:30pm on Fridays.

[illegible]

**2022-2023
School
Year**

Smith Elementary Uniforms

Smith Elementary is a uniform school required school dress for all students attending smith will be as follows

Policy

Uniform Type

- * Students must be in a navy, light blue, gray, white, or purple polo or t-shirt.
- * Navy or khaki jumpers.

Uniform Bottoms

- * Solid colored pants, shorts, or skirts (khaki or navy preferred)
- * Jeans, free of holes

Examples

Dismissal Procedures

All students are dismissed from the building to the playground. Children in 1st-5th grades are permitted to walk independently to the bus, aftercare, a parent/sibling/designated adult who is waiting on campus, or home. Kindergarteners require an adult or older sibling to accompany them after school. ECE students must be signed out by a designated adult over 16 years of age. All students are expected to leave school grounds at dismissal time, unless participating in a school-sponsored activity or after care.

ECE Dismissal

- ECE classes will dismiss at 2:25 to the playground.
- All children will wait with their teacher and class until someone arrives for pick up.
- All ECE students must be signed out by a parent or designated adult before leaving the care of the teacher.

K-5th Grade Dismissal

- Students in grades K-5 will be dismissed from the east-facing playground doors (Kearney Street) at 2:30pm.
- Students meeting siblings will arrange to meet up outside on the playground, at another designated location outside, or at the dismissal door of the younger sibling who will be waiting with the teacher (kindergarten).
- Students who attend an after-school program will meet a representative from their program outside each day. Those students will only re-enter the building with their after-school program.
- Bus riders (Boys and Girls Club and DPS busses) will also be dismissed through the east-facing exterior doors. Busses will be located in the back of the building on Kearney Street.

Families LATE for pick up?!?

- Students not yet picked up are brought inside to the school lobby by the classroom teacher or paraprofessional at 2:40pm daily.
- Inside the lobby, students will be socially distanced and wait by for an adult to arrive for pick up.
- After 2:40, parents should come to the main entrance of the school and push the buzzer for late pick up.
- The secretary or office staff will take the child's name and may REQUIRE PARENTS TO SHOW ID before releasing the child.

Families who are habitually late for pick up will be required to meet with school leadership to create and commit to following a pick up plan. This plan includes criteria for timeliness and supports access to family resources, as well as the protocols school personnel will follow if the pick up plan is not adhered to with fidelity.

Family Communication

School to Home Communication

Below are the five ways our school communicates with families:

1. Website:

Our website is an important form of communication and will have all of the latest updates and information for our school (Calendars, schedules, etc). Check it out and bookmark it as a favorite! <http://smith.dpsk12.org/>

2. Parent Square:

ParentSquare is a one-stop shop for school happenings, school wide communication, coordination, and engagement between home and the school community. Smith provides the ability through Parent Square for families to directly message teachers, staff, and administrators through the site.

ParentSquare

4. Monthly/Weekly Classroom Parent Square Posts:

Classroom Teachers will be communicating with all families at least once weekly via Parent Square posts, pictures, and/or messages. Posts will include classroom updates, celebrations, and upcoming classroom events.

3. Thursday Folders:

Every Thursday, a folder will go home with any classroom specific information and school information (extra advertising for school events, etc). Remember, all school-wide information is posted on Parent Square, so please do not depend on receiving all things in the Thursday Folders regarding school events.

5. Facebook:

We encourage everyone to “like” our Facebook Page <https://www.facebook.com/SmithElementaryDenver>. We will be posting various things throughout the year and you don’t want to miss out on the fun!

Parent Square

Smith is dedicated to providing a quick and easy way to communicate with all families and students. ParentSquare is our school adopted communication tool that is used for all grade levels. Each family is encouraged to sign up to receive the most current, Smith-specific information. Teachers and parents are able to connect instantly through direct messages and teachers are able to send out whole classroom reminders, pictures, and more! Additionally, Smith Elementary will also send out whole school announcements, posts and tutorials to keep you informed, up to date, and prepared to support your child in his or her elementary school learning.

ParentSquare

Please make sure that you are checking ParentSquare daily (or you have the Parent Square notifications turned on.)

How to sign up for ParentSquare:

- Send an email to Amanda_romero@dpsk12.org with your name, your child(ren)'s name(s), your email, and cell phone number.
- In 1-2 days, you will receive a text message alert from ParentSquare; follow the link and registration process.

ParentSquare Troubleshooting:

- Forgot your password?- Send an email to Amanda_romero@dpsk12.org; include your first and last name, child's name, phone number and a new password.
 - Ms. AJ will text you when the new password has been activated.
- Need help with Parent Square? Send an email to Amanda_romero@dpsk12.org; include your first and last name, child's name, phone number and the specific concern.
 - A Smith staff member will text or call you to offer step-by-step support.

Contacting Students and Teachers

In order to maximize instructional time and minimize disruptions, all telephones in classrooms will go to voicemail during student contact time. If it's an urgent matter, and you choose not to leave a message directly with the teacher on voicemail, the main office will happily deliver messages to teachers, if necessary. Finally, teachers will be outside at dismissal each day and are happy to connect with families to address questions and/or quick concerns.

We encourage families to utilize ParentSquare or email to communicate with teachers. Families can expect a return email within one business day.

Due to the busy nature of a school office at the end of the day, any change in pick up routines must be communicated to the office by 2:00 to guarantee the message gets to your child before the day ends. Unless there are extraordinary circumstances, teachers will return voicemail messages within one school business day.

Monthly Parent Principal Coffee Meetings & ELA PAC

Please join Ms. El Moudaffar and other school staff on the 2nd Tuesday of each month for our monthly coffee meetings!

September 13, 2022- (7:45am-8:45am) *In Person
October 11, 2022- (6:00pm-7:00pm) *Virtual
November 8, 2022- (7:45am-8:45am) *In Person
December 13, 2022- (6:00pm-7:00pm) *Virtual
January 10, 2023- (7:45am-8:45am) *In Person
March 14, 2023- (7:45am-8:45am) *In Person
April 11, 2023- (6:00pm-7:00pm) *Virtual

In an effort to meet the needs of all families, meetings will alternate between in-personal and virtual, every other month. We'll discuss a different topic each month, as well as provide time for open forum questions and answers. Topics include: Social Emotional Learning, Early Literacy, English Language Development, Math Instruction, School Performance and Goals, School Improvement Plans, Budget, Safety, Staffing and School Policies. Meeting details will be released on Parent Square each month in advance of the meeting.

Collaborative School Committee

The Collaborative School Committee (CSC) brings together Smith families, staff and community members to create and implement a plan to promote high academic achievement in our school. This committee meets on a regular basis throughout the school year and is an opportunity for stakeholders to have a voice in the school.

Members are elected to two-year terms and may be elected to no more than 3 successive terms. The constituent group elects new members to fill vacancies during the school term. CSC members will nominate and approve individuals to fill vacant business representative positions. CSC meeting agendas, minutes, and summary are made public and accessible on the Smith Website. <http://smith.dpsk12.org/>

Social Emotional Supports

SECOND STEP®

SUPPORT

Social and emotional learning (SEL) is a critical component of the educational experience that is proven to foster healthy relationships at home and school, lead to improvements in student behavior, reduce classroom disruption, and accelerate academic achievement.

Daily Social Emotional Lessons

Smith Elementary utilizes Second Step as our school wide social emotional curriculum, in addition to Personal Success Factors. The Second Step program “helps children learn social-emotional skills such as responsible decision-making, working together to solve problems, managing strong emotions, and getting along with others. These skills can help children succeed academically and socially.” We provide daily, evidence-based social and emotional learning (SEL) lessons that cultivate a safe and positive learning environment. We build community, inclusivity, and interpersonal skills together each morning alongside classmates and adults.

Friday Community Meetings

For 20 minutes each Friday morning, the whole school comes together as a large group for community-building activities and routines, celebration, and FUN! We celebrate our people, our values, and our accomplishments

House System

The Ron Clark Academy House System is a dynamic, exciting, and proven way to create a Smith positive climate and culture for students and staff. Using RCA's methods will bring excitement to Smith Elementary School. The house system implements processes that build character, relationships, and school spirit.

DURING REGISTRATION each family will be given the opportunity to spin a wheel to be sorted into a house at random. The oldest child within the family will be the one to spin for the house.

STUDENTS REMAIN IN THIS GROUP until they leave Smith.

EACH HOUSE IS COMPOSED of every child in the school teachers, faculty, and staff allowing students to socialize with one another across grades and with positive adult role models beyond just the classroom setting.

THROUGHOUT THE YEAR the Houses compete against one another in a variety of competitions by accumulating House points. Individual students can also accumulate points for their House based on behavior and academic success in kickboard.

AT THE END OF THE YEAR the House with the most points wins the House Championship and all of the honor and glory that comes with it!

Food & Health

School Meals & Snacks

BREAKFAST

- All Smith students are offered free breakfast daily.
- K-5th grade breakfast will be served in a grab and go fashion. Students will grab their breakfast after entering the front door and then eat in the classroom.
- ECE students will be served breakfast in the classroom.

LUNCH

K-5th students will eat with their grade level peers either in the cafeteria, gym, or outside. These three locations will allow us to have children maintain more space while unmasked and eating. ECE students will be served lunch in the classroom.

Beginning in August 2022, Lunch meals will be charged based on free, reduced lunch requirements.

<https://www.myschoolapps.com/Home/PickDistrict>

Elementary Breakfast: Free
Elementary Lunch: \$2.60
Adult Breakfast: \$3.00
Adult Lunch \$4.50
Only Milk: \$0.75

Nursing/ Health Areas

Health Office Regulations: At Smith, we have a health office with 1 bed per 400 students, a dedicated bathroom within 50ft for health office use only, a sink with running hot and cold water, easily cleanable surfaces, and an isolated area for sick students to be separated from well students.

Our designated additional areas for isolating students, should there not be enough capacity in the health office, is in another office with a restroom, sink and bed.

Student Medication

Only prescribed medications will be given to a pupil at school. Over the counter cough or cold medications, aspirin, etc. are not given, with or without parent permission, during the school day except with written physician order. All medication must be kept in the clinic and dispensed by either the school nurse or her designee. If a pupil MUST receive medication during school hours, the parent or guardian must furnish the medicine in the prescription container. The container must be plainly marked with the pupil's name, physician's name, and name of the medicine, dosage, and time to be taken. The physician must fill out a school form detailing the name of the medicine, dosage, timing, and possible adverse reactions. The form, Request for Giving Medicine at School, must be filled out completely by the parent or guardian and the doctor.

Annual Health Screenings

Hearing and vision screening is done yearly for all ECE, Kindergarten, 1st, 2nd, and 5th grade students. You will be notified in writing if there are any concerns about your child's vision or hearing. Please contact the school nurse if you would like to have your child's vision or hearing tested outside of the time when the school-wide screening takes place. The school nurse also has resources available that can assist families financially with eye exams, glasses, and dental care.

General Smith Policies

Attendance Policies

Daily, on-time attendance is very important. Our goal for each student is that he or she is in attendance 97% of the school year or more. For this reason, after five days absent, families may be contacted by the school to remind you of the school goals and offer any support to maximize school attendance.

Tardies

The school day begins at 7:30am. Students arriving after 7:30am should report to the main office so they can be accounted for in the attendance system. Students arriving after 7:45am will be marked tardy.

Absence Notification Timeline

Safety is our number one priority at Smith Elementary School. In order to ensure that we are diligent and certain that your child is present and in our care, we have put the following timeline for absence notification into place:

- 7:30 School Begins
- 7:30 - 7:45: Teachers submit attendance to the Infinite Campus System
- 8:00: Automatic Dialer (robocall)- If we have not received a phone call about your child's absence that morning, the automatic dialer goes out to alert you that your child is not at school. This is our way of double-checking that your child is safe. If you receive this phone call, please call us back to let us know that your child is in your care.

Early Dismissal

A student can only be released to the individuals identified in the Infinite Campus system through Parent Portal. At any time, a legal guardian can update this information as circumstances change. Please contact the main office if you need assistance in changing contact information or identifying who can pick your student up from school.

Picking up a student before the end of the school day is very disruptive to his/her learning. Please LIMIT early pick up as much as possible. Minutes absent from school due to an early dismissal will be treated in the same fashion as minutes missed from school due to an excused tardy in a student's attendance record.

Smith Field Trips and Excursions

Classroom learning takes on a whole new meaning when put into the context of first-hand discovery and experiences shared with experts. Field trips are a way of taking the classroom into the community and are therefore regarded as an integral part of the educational experience. These trips also serve to heighten community awareness, involvement, appreciation, and commitment.

We do not allow siblings to accompany students on field trips. Field trips are meant as an opportunity for children to engage with peers, teachers and parent chaperones.

Homework

Because students engage in rigorous, authentic, learning activities at school for several hours each day, we want them to have the freedom to explore other interests and activities at home. For this reason, Smith students will not be assigned homework in ECE-5th grades, with rare exceptions.

- Teachers will gladly provide families with resources, materials and/or activities to reinforce learning and practice skills at home.
- Children will never be penalized for failing to engage in the practice activities provided by the teacher, even if the additional resources were requested by the parents. Without homework, there's one less obligation on families' plates each night and hopefully, this promotes earlier bedtimes for children-- our start time is EARLY!!

Legal Custody

The school must have a copy of a student's custody papers for our files when a divorce or separation occurs. Documents must be notarized or be from legal proceedings. It is the responsibility of families to notify the main office of any changes in custody.

Tobacco-Free Campus

Denver Public Schools is a tobacco free district. No tobacco products are allowed on school grounds, including E-Cigarettes.

Pets

For safety and health reasons, animals are not permitted on school grounds. This includes pets on a leash during arrival and dismissal times. Denver City Ordinances prohibit having dogs or other animals on the playground and at no time should an animal be off leash on campus. Please respect this ordinance even after school hours and on weekends. We recognize that some dogs are service animals and are exempted from the above policy.

What to send/not send to school

Winter/outdoor coats, hats, gloves, as needed

Wear or bring tennis shoes for PE

2nd-5th grades only:
Bring your fully charged device

ECE & Kindergarten:
Keep a clean set of clothes in your child's backpack

Miscellaneous Items

Miscellaneous items such as toys, trading cards, electronic games, etc. should NOT be brought to school. If these items are brought to school, they will be confiscated and a parent is required to pick the items up from the front office. If not picked up by winter break or the end of the school year, they will be donated. The school does not take responsibility for lost, damaged or stolen items.

Electronics/Cellular Phones

The use of electronic devices is prohibited at school. Cell phones must have the student's name or ID# written or etched on it and must be turned off/silent once in the building. Phones will not be accessible to students during school hours, including in the building and outside at recess. A student may NOT use their cell phone inside the building during school hours. Once school is dismissed, students may use their cell phones outside the building.

If students are unable to demonstrate responsible cell phone use, a behavior contract will be initiated. In case of an emergency, please contact the office at 20-424-4000 and we will be sure to relay the message to your student.

Lost and Found

Every year the school lost and found contains many personal items of clothing that are never claimed. To avoid losing your valuable clothing, parents are asked to clearly label all personal belongings with the child's name so that lost items may be returned promptly. Please talk to your child to not bring valuable items such as jewelry, watches, electronic games, etc. to school. These items are easily misplaced and easily picked up.

Staff and students can take articles of clothing, water bottles, lunch pails ect. that remain unclaimed to the "Lost and Found" area located outside the cafeteria and hang them on the coat racks. Money and small objects may be taken to the main office with staff member permission. These items remain in the office until claimed.

If your child is missing a sweater, jacket, clothing, backpack or lunchbox, please encourage your child to check our "Lost and Found." Each season, any items remain unclaimed. items will be donated twice a year to a local charity.

Schoolwide Celebrations & Parties

There are four dedicated days for class parties throughout the school year. While we are committed to celebrating these holidays with our students, these celebrations will look different this year than they have in the past. More information to come as the celebration dates approach:

- Fall Party: Monday, October 31
- Winter Party: Friday, December 16
- Valentine's Day: Tuesday, February 14th
- End of Year: Last Week of May
- Teachers will communicate with each family prior to the date about the details of the party.
- Parties will begin promptly at 1:30pm.
- All non-Smith children under the age of 18 must be accompanied by an adult at all times.

Optional Birthday Treats!

As always, we are happy to celebrate birthdays with our students! If you wish to bring a birthday treat to share with classmates, they must be store bought and in their original packaging. No home-made birthday treats will be permitted. We will need to limit our birthday celebrations to treats this year and all other birthday items (balloons, stuffed animals, ect.) will not be permitted. Teachers will pass out birthday treats at the end of the school day

Safety & Weather Protocols

Evacuation Procedures

If it is unsafe for students, staff, and visitors to remain inside the building they will evacuate to designated evacuation locations on campus or off-site. The most common evacuation is a fire drill.

All students and staff will exit the school and go to designated locations.

Everyone will remain outside until the "all clear" message is given.

If students and staff need to leave school grounds, we will walk or go by bus to our designated off-site emergency evacuation locations.

Students will be released to parents or guardians who are listed in Infinite Campus and have proper I.D.

There are two off-site emergency evacuation locations for Smith Elementary and parents will be notified via ParentsSquare of these locations should an emergency evacuation occur.

Fire Drills

Fire drills are required by law and are important practice in the event that an actual emergency should occur. Students learn the evacuation path established for each room they occupy. All building occupants must move silently and in an orderly fashion to a specified area where they will remain until instructed to return to the building. Practice drills are conducted on a regular basis as required by Denver Public Schools.

In a serious emergency, school administrators must decide to Lockdown, Lockout, Evacuate or Shelter.

Shelter in Place

Severe weather is any weather condition that may cause injury to students and staff or damage to structures. Different types of weather call for different types of actions. Schools will go into shelter if the threat of severe weather is in the area.

Examples of severe weather are:

High winds

Thunder and lightning storms

Hail

Tornadoes

Smith leaders will monitor the National Weather Service announcements and will notify staff and students to move away from rooms on the perimeter and go to the designated Inside Safe Assembly Locations as necessary. School leaders will direct students and staff to take the protective kneeling position if indicated.

Secure the Perimeter

"Secure the Perimeter" Procedures

Threat is definitely away from the school. School administration secures the building and safely shelters all students, staff and visitors INSIDE the school building. A school will go on "Secure the Perimeter" if a threat is in their neighborhood and does not endanger the occupants of the school. NO person is allowed to enter or leave the building. Additional precautions are taken inside the building.

In the Event of a School Emergency

We understand that every parent's first reaction is to come immediately to the school site to make sure their child is safe. In order to increase the chances of all students remaining safe during an emergency, we ask the following of our parents:

- DO ensure your ParentSquare phone number is up to date and be on the lookout for emergency alerts and/or posts from the school with updates.
- DO check the DPS website for updated information (<http://www.dpsk12.org>).
- DO tune into local TV/radio stations for school news alerts.
- DO listen for information regarding reunification with your child.
- DO contact DPS Communications at 720.423.3414 should you need to talk to someone
- Refrain from going to your child's school. This will create traffic congestion hampering the efforts of first responders.
- Refrain from calling your child or your child's school. Excessive phone calls could jam the phone system and interfere with emergency communications.

As soon as we are safely able to do so, communication will be sent to families via ParentSquare emergency alerts or posts with the most up to date information on the situation. Please ensure your ParentSquare phone number is up to date.

Safety Video Resources

- Go to <http://riskmanagement.dpsk12.org/parents> to see the following resources:
- Preparing for Emergencies: What Parents and Guardians Need to Know
- Getting to School Safely: Traffic safety videos for parents and students.
- 3 Steps Back Video and Curriculum: This video is about personal safety for kids and adults. It teaches children what to do if approached by a stranger, or someone other than a trusted adult.

If, at any time, your child feels unsafe at school, please contact their teacher and/or the principal right away. It is difficult for the school to intervene if we are unaware of situations occurring. If your child feels uncomfortable telling someone at school, they can contact Safe2Tell, a way in which students or parents can make an anonymous report. You can reach them at 1.877.542.SAFE or find more information at www.safe2tell.org

safe tell®

Make a Call. Make a Difference.

1-877-542-SAFE

Winter Weather Policy

- Arrival on Cold and Snowy Days- Arrival time remains at 7:20. Students can enter the building and go straight to class as they would any day. Because staff are not in the building to supervise children before 7:20am, we will allow students inside the building until 7:20am, so please do not send your child early.
- Weather Delay Schedule: When all DPS schools are on a 2-hour delayed start due to winter weather and road conditions, all schools will start two hours later than their normal start times, with bus routes adjusted accordingly. Smith's 2-hour delay start time is 9:30am.
- Winter Gear- Please dress your child in warm winter gear as we only call indoor recess when it is extremely cold. Otherwise, you can assume your child will be outside playing in the fresh air! They will need coats, gloves, hats, and any other outdoor winter clothing you see fit.

The decision to keep schools open or to close them during winter weather conditions is not a simple one, but it is made by DPS leaders (not individual school leaders) with one overriding factor in mind: the well-being of our students, their families and staff. It is a good idea to decide in advance how to best keep up with the changes, what childcare arrangements are needed, and how to adjust if schools are closed due to inclement weather.

School Closure Communication

- If the decision is made to close school, the DPS Communications Office will immediately notify local television and radio stations, which will broadcast regular announcements of school closures or delays. Information is also available at DenverChannel.com, 9News.com, KDVR.com and denver.cbslocal.com. Notifications in Spanish will be made on radio newscasts on 1150 AM, 1280 AM and 1090 AM.

Smith will post any and all closure updates to ParentsSquare and also accompany the posts by emergency alerts through ParentsSquare.

- Emergency school closures will be posted on the district's homepage (www.dpsk12.org) and the DPS transportation homepage (<http://transportation.dpsk12.org/>) immediately.
- Announcements to close school will also be posted to the district's Facebook (www.facebook.com/DenverPublicSchools) and Twitter (@DPSNewsNow) pages, as well as the DPS Transportation Facebook (www.facebook.com/DPSTransportation) and Twitter (@DPSSchoolbus) pages.
- A message announcing the closure or late start will also be left on the school district's closure hotline at 720-423-3200, as well on the DPS Transportation hotline at 720-423-4699.

**DENVER
PUBLIC
SCHOOLS**

Before and After Care

Smith Elementary School offers a before and after care programs. We believe that a quality Before & After School program should provide enriching experiences which facilitate a child's cognitive, social, physical and emotional growth. We strive to meet the developmental needs of each individual child by working in partnership with before and after care programs offered in our building.

Colorado Institute for Early Learning

Making education fun before & After School program

CEIL is a before & after school STEAM program; located at Smith Elementary school. Before care runs 6am-7:30am and aftercare runs 2:30pm-6:00pm Monday-Friday. Our program explores science, technology, engineering and math. CEIL invests in children's character by encouraging children to have integrity, honesty, kindness, etc. We instill techniques to cope and deal with bullying, read along and literacy activities. We offer S.T.E.A.M activities and are involved in the community. Each child will be honored as a future leader.

Rates:

We DO ACCEPT: CCAP and DPP

Free for qualifying* 3 & 4 years olds. (Children that qualify must live in the Denver area, only a few spots available for DPP children)
